

Short Ride 6.4km

- 1) Ride 1.3km from Shop to Huka Falls (**Be aware of the moderate downhill to Huka Falls**).
- 2) Walk bike across the Huka Falls bridge. Have a look at the Falls, then take the MTB track which veers slightly to the left once you have crossed the bridge. Continue 300 metres up the track until you reach an intersection. Take the left track which comes to a Falls lookout in about 170 metres.
- 3) Continue down the track for approximately 2km until you reach a road bridge across the river. **Be aware that the track is shared with walkers.**
- 4) Ride up the ramp onto the bridge foot and bike path. Cross the bridge. At the end of the bridge follow the track signposted to *HukaJet*. Cross over the small bridge over pipelines 100 metres past the sign. Cross onto the tar sealed road and turn left at the Give Way sign (Karetoto Road). Head up the hill. Stay on the LEFT hand side of the road – watch out for cars.
- 5) The bike track continues on the left hand side of the road by the red *Volcanic Activity Centre* sign opposite *Shooters Golf Driving Range*. Continue on the track until it meets Karetoto Rd in a gully. Continue up the tar sealed road and turn left where you will be back at the start.
